Dear Travel Partner:

Congratulations! Tickets And Tours is the newest member of Carnival Cruise Lines' "Pinnacle Club"

This exclusive program is comprised of high-volume travel agencies that meet a certain sales criteria and exhibit excellence in promoting and selling the "Fun for all and all for Fun" cruise experience.

To be eligible for the "Pinnacle Club," travel agents must also demonstrate exceptional professionalism, creativity in sales and marketing techniques, and outstanding support of the "Fun for all and all for Fun" product.

For this distinction, your Business Development Manager will present you with a beautiful gemstone globe to display in your office as a token of our appreciation.

Once again, congratulations on this special award and thank you for your continued support and loyalty for Carnival Cruise Lines.

Best regards,

Joni L Rein
